

CAPE TRIBULATION

Daintree ITINERARY

THERE'S NO PLACE LIKE THE *Cape Trib*

Cape Tribulation, known by the locals as Cape Trib, offers a rare opportunity to immerse yourself in the world's oldest living rainforest, where it meets the Great Barrier Reef. Set within the Daintree and part of Australia's first ECO Certified destination, this remote coastal pocket delivers a depth of experience far beyond its size.

Located a short drive north of Port Douglas and approximately 2.5 hours north of Cairns, the journey includes a crossing on the Daintree Ferry, marking a clear transition into a more untouched and immersive landscape. Over two days, visitors can explore ancient rainforest on guided walks, connect with the world's oldest living culture, cruise the Daintree River, and experience the reef from one of its closest access points.

This short itinerary brings together the defining elements of the region, offering a considered and memorable way to experience one of the most unique natural environments on earth.

Tourism Port Douglas Daintree acknowledges the custodianship of the Daintree Rainforest and Great Barrier Reef by the local Kuku Yalanji and Yirraganydji people whose rich cultures, heritage values, enduring connections and shared efforts protect our natural assets for future generations, and we pay our respect to elders past, present and emerging.
